

FB 30 & FB 40 OUTHAUL CARS
for FURLING MASTS

> Sailboat < 35' up to 58'

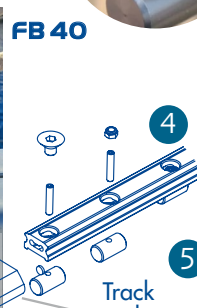

EASY MAINSAIL FURLING IN/OUT

COMPLETE OUTHAUL CAR BOOM KIT

OUTHAUL CAR BOOM KIT

COMPLETE OUTHAUL CAR BOOM KIT for FURLING MASTS

- ① Outhaul car boom kit with low-friction ball bearing technology
- ② Monobloc conception with CNC car manufacturing
- ③ Quick-fit pack : panel of fixation slugs adapted to many mast grooves : simple fitting on the boom

Complete kit including :

- ② Outhaul car
- ④ Anodized tracks (2 models : 2 m long FR25 / 1.7 m long FR40) with fixation slugs ③
- ⑤ Track endstops

THE OUTHAUL CAR PACKAGE ADVANTAGES :

- > Easy Mainsail furling in/out
- > Long lasting sturdy car and tracks
- > No boom modification : thanks to fixation slugs to be inserted into boom groove
- > Suitable for most furling mast booms 35' to 58'
- > Full kit ready to be installed
