

A > LOCKING VERROUILLAGE

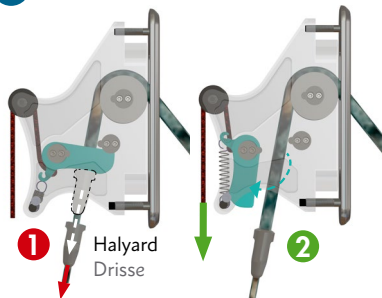

LOCKED/ HOOKÉ

A

B > UN-LOCKING DÉVERROUILLAGE

- (1) First **pull 10 cm of the halyard** so that the lock can pivot freely without impede the «bullet».
- (2) Then fully open the lock by **pulling the trigger line**.
- (3) After the lock is open, the **halyard can be lowered**.

- (1) Commencer par **reprendre la drisse de 10cm** pour que le verrou puisse pivoter librement sans toucher la «bullet»
- (2) Puis **ouvrir le verrou à 100 %** en tendant la commande de déhookage
- (3) après ouverture du verrou, **la drisse peut être affalée**
